Mr. [REDACTED]

Dear [REDACTED]

I have had occasion to examine your publication [REDACTED] and was very much impressed with the amount of work you have put into this project. Assuming that this has not been published anywhere and that you might like to give it a wide circulation, would you consider the publication of this work by the Senate Internal Security Subcommittee with due credit to you?

This is merely an exploratory inquiry and in no way commits the subcommittee to any decision on this matter. I would like to talk this matter over with you personally, if possible, at your earliest convenience.

Sincerely yours,

BENJAMIN MANDEL  
Research Director  
Internal Security Subcommittee
